Welcome to Oath Keepers and thank you for your support!

As you know, anyone who keeps his or her oath - is already an **Oath Keeper**. Nevertheless, it is our honor to count you as an official member of *Oath Keepers*. We congratulate and commend you for stepping up by formally joining our organization and taking a direct role in our vital mission. Reaching out to our brothers and sisters in the military, police, firefighters and veterans of these services, and reminding them that, *"Our Oath is to the Constitution."*

We encourage you to take part by joining your local state group through our national forum network at <http://oathkeepers.net/forum> where you can network with members in your area. In addition, please visit our "resources" page at <http://oathkeepers.org/oath/resources/> and get free downloads of the same brochures and push cards included in this membership package (with more outreach materials coming soon). You can print them on your home computer or at your local printers!

Take the initiative when promoting Oath Keepers, just as many of our fellow members have -- you can set up booths or pass out materials at your local gun shows, Tea Party rallies, 9-12 rallies, etc. Don't forget to coordinate with the forum moderator of your state group so they can help promote your event by posting it online.

We may have to rely on the military, police, and firefighters keeping their oaths to prevent the destruction of this Republic. Although time may be short in our struggle... with your help, We **WILL** save our Republic! Feel free to contact me directly with any questions, comments or suggestions at [rhodeslegalwriting@gmail.com](mailto:rhodeslegalwriting@gmail.com).

For the Republic,

Stewart Rhodes

Founder of Oath Keepers

## Principles of Our Republic We Are Sworn to Defend

As our Declaration of Independence states:

1. All men are created equal and endowed by their creator with certain inalienable rights.
2. To secure these rights, Governments are instituted among Men
3. Governments derive their just powers from the consent of the governed.
4. Whenever any form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government.
5. Governments long established should not be changed for light and transient causes.
6. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism...
7. ... it is their right, it is their duty, to throw off such Government.

Each of you must remind yourself of those hard learned lessons, renew your understanding of the principles of American liberty, and how those principles are reflected in the Constitution and Bill of Rights you swore an oath to defend.

And then you must search your soul and arrive at your own personal line in the sand

## Remember Your Oath

If you are in military service or are a peace officer remember your oath. We hope for a return to the Constitutional Republic free from fear and hatred. We hate only tyranny. You may someday find yourselves as the last bulwark against that tyranny.

We are not advocating or promoting violence or acts of aggression towards any person, group or organization or any government, whether local, state or national. We simply want all public servants to live up to their oath to, "support and defend the Constitution," as it is written.

At all Oath Keeper gatherings, we provide an opportunity for those who have taken the oath to renew their oath, and for those who have never sworn the oath to do so for the first time, all standing together and repeating the following:

I, \_\_\_\_\_ do solemnly swear (or affirm) that I will support and defend the Constitution of the United States of America, against all enemies, foreign and domestic, that I will bear true faith and allegiance to the same, and that I take this obligation freely, without any mental reservation or purpose of evasion, pledging my life, my fortune, and my sacred honor. So help me, God.

Oath Keepers is a non-partisan association of currently serving military, reserves, National Guard, veterans, Peace Officers, and Fire-Fighters who will fulfill the oath we swore, with the support of like minded citizens who take an oath to stand with us, to support and defend the Constitution against all enemies, foreign and domestic, so help us God.

Our oath is to the Constitution, not to the politicians, and not to any political party. In the long-standing tradition of the U.S. military, we are apolitical. We don't care if unlawful orders come from a Democrat or Republican, or if the violation is bi-partisan. We will not obey unconstitutional (and thus unlawful) and immoral orders, such as orders to disarm the American people or to place them under martial law. We won't "just follow orders."

Our motto is "NOT ON OUR WATCH"
